This article has been retracted. Although the article “James, T.Y., and Berbee, M.L. (2011). No jacket required new fungal lineage defies dress code. *Bioessays*. doi:[10.1002/bies.201100110](https://doi.org/10.1002/bies.201100110)” was cited, Bolla K unintentionally copied smaller parts of the text. The authors apologize to the authors of the *BioEssays* paper and the readers of *Protein and Cell*.
